

Premier of Ontario - Première ministre de l'Ontario

June 2 – 6, 2018

A PERSONAL MESSAGE FROM THE PREMIER

I am pleased to extend warm greetings to all the delegates of the 35th International Congress of the International Society of Blood Transfusion (ISBT).

Ontario has always been a place where people and ideas meet. We are pleased to welcome you, the professionals who work in transfusion medicine and its related disciplines. Transfusion is a potentially life-saving procedure that has benefitted millions of people who need blood for surgery, injury, disease, bleeding disorders and other conditions.

Events such as this are great opportunities to connect with blood transfusion professionals, facilitate exchange of information related to blood transfusion medicine, and support safe transfusion therapy around the world.

Thanks go out to the ISBT for its commitment to promoting and maintaining high ethical and professional standards in blood transfusion medicine.

Have a productive and inspiring Congress!

A handwritten signature in black ink that reads "Kathleen Wynne". The signature is written in a cursive, flowing style.
