Dear Friends and Volunteers

Subject: Virtual International Youth Forum 2020 – “Health and healthy donations are always priorities”

We write to inform You that International Youth Committee (IYC) of the International Federation of Blood Donor Organizations (IFBDO/FIODS) will organize an international conference via streaming on the internet in summer 2020 with expert speakers from countries on all continents.

The conference will be organized on Microsoft Teams.

The dates are **Friday August 21st, Saturday August 22nd and Sunday August 23rd**. The planned times are from **12:00 to 14:15 (GMT)**.

We open the webinars and video-meetings to everyone, so that all blood donors and volunteers worldwide can participate, especially those who haven't been able to take part in previous Forums for economic reasons or due to border restrictions.

In the coming weeks, we will provide You more information on topics and speakers.

Please express your interest in joining this event by filling the registration form:

SAVE THE DATE!!!

We are close to all the countries that are suffering losses from this horrendous COVID-19 pandemic. We must resist. We will overcome it.

ONE BLOOD, ONE LOVE
