DAY 1: ISBT Highlight Day

2024-01-11

International Society
of Blood Transfusion

08:30 - 09:00 : Opening Cerermony

NBTS 5 minutes, ESBS 5 minutes, ATMF 5 minutes, ISBT 5 minutes, 5 minutes WHO, AABTS 5 minutes

09:00 - 09:15 : ISBT Academy presentation - Jenny White - The concept of ISBT Highlight Day

09:15 - 09:30 : WHO EMRO Blood Safety Office

09:30 - 11:00 : Transfusion Research - Presenation 25 m, discussion 5 m - Jenny White, Salwa Hindawi

09:30 - 10:00 :

Matteo Bruschetti, Sweden

How to write systematic review

10:00 - 10:30 :

Lise Estcourt, UK

Systematic use of developing evidence based

(Virtual)

Methedologies for PBM guidelines

10:30 - 11:00 :

Maha Badawy, KSA

How can I get my manuscript publised

11:00 - 11:30 : Coffee Break

11:30 - 13:00 : Massive Hemorrhage - Lise Escourt , Maria Satti

11:30 - 12:00 :

Tor Audun Hervig, Ireland

- Pre-hospital use of blood products

12:00 - 12:30 :

Satyam Arora, India

- Use of whole blood in pediatric patients

12:30 - 13:00 :

Amina Temacini, Algeria

- Massive transfusion protocols, clinician Prespective

13:00 - 14:00 : Lunch Break

DAY 1: ISBT Highlight Day

2024-01-11

International Society
of Blood Transfusion

14:00 - 15:30 : Feto-Maternal Immunology -

Matteo Bruscellini, Abdullah Al Meshi

14:00 - 14:30 :	- Magdy El Ekiaby, Egypt	- Overview of Feto-Maternal immune interactions
14:30 - 15:00 :	- Masja de Haas, Netherland (Virtual)	- Implementation of ddPCR method for non-invasive fetal blood group typing for alloimmunized pregnant women
15:00 - 15:30 :	- Jenny White, Netherland/UK	- Antenatal Transfusion Practice and anti-D prophylaxis based on BSH guidelines

15:30 - 16:00 : Coffee Break

16:00 - 17:00 : Survey Presentations -

Satyam Arora, Aziza Hammadi

16:00 - 16:20 :	- Faten Moftah, Egypt	- Transfusion Research Survey
16:20 - 16:40 :	- Arwa Al Riyami, Oman	- Massive transfusion management, analysis of regional status
16:40 - 17:00 :	- Khadija Lahdjouji, Morocco	- Feto-Maternal Immunology Survey

17:00 - 17:15 : Day 1 wrap up

DAY 2: ATMF Forum, Day 1

2024-01-12

International Society
of Blood Transfusion

09:30 - 11:30 : Transfusion Research -

Tor Hervig, Aysha Al Malki

- | | | |
|-----------------|--------------------------|--|
| 09:30 - 10:00 : | - Arwa AlRiyami, Oman | - Research priorities in EMR |
| 10:00 - 10:30 : | - Hanady Samaha, Lebanon | - Big data in transfusion medicine research challenges |
| 10:30 - 11:30 : | - Panel discussion | - How to move forward with transfusion research in Arab Region |

Panel : Matteo Bruschettini, Lise Estcourt, Maha Badawy, Arwa AlRiyami, Hanady Samaha, Faten Moftah

11:30 - 14:00 : Prayer and Lunch Break

14:00 - 14:30 : Industry symposium

14:30 - 15:00 : Industry symposium

15:00 - 17:00 : Massive transfusion -

Lise Estcourt, Mohamed Farouk

- | | | |
|-----------------|---------------------------------------|---|
| 15:00 - 15:30 : | - Omaima Edris or Amr El Nouri, Egypt | - Management of Obstetric hemorrhage |
| 15:30 - 16:00 : | - Magdy El Ekiaby, Egypt | - Management of massive hemorrhage, Laboratory and Blood tools |
| 16:00 - 17:00 : | - Panel discussion | - Working towards regional guidelines on management of massive Hemorrhage |

Panel : Tor Audun, Satyam Arora, Amina Temacini, Magdy El Ekiaby, Arwa Al Riyami,

17:00 - 17:14 : Day 2 Wrap Up

DAY 3:

ATMF , Day 2
2024-01-13

**International Society
of Blood Transfusion**

09:30 - 10:30 : Poster Presentations

10:30 - 12:30 : Feto-maternal immunology

Masja Haas, Khadija Lahdjouji

10:30 - 11:00 :

11:00 - 11:30 :

11:30 - 12:30 :

- Abdullah Al Meshi, KSA

- George Gorgy, Egypt

- Panel discussion

- Management of maternal alloimmunization

- Platelet alloimmunization

- How to improve regional management of
Feto-maternal immune interactions

Panel : Jenny White, Magdy El Ekiaby, Abdullah Al Meshi, Reem Al Radwan

12:30 - 13:00 : Day 3 and Forum Wrap Up

13:00 - 14:30 : Farewell Lunch
